

A United future, focused on community.

On July 31, 2023, Seaside Bank and Trust will become known as **United Community**, enhancing the community focus we stand for and the exceptional banking service we aim to provide.

While this change will bring Seaside clients under the United Community banner, you can rest assured that no material changes will be made to your accounts or banking relationships.

Our top priority is to make this transition as seamless as possible, and we understand that you may have questions about what this means for you. Please don't hesitate to contact your client advisor or banker. Additional resources can also be found at seasidebank.com/united.

We look forward to helping you reach your financial goals—as one United Community.
