

<p>What is the Commercial Credit Fellows Program?</p>	<p>The Commercial Credit Fellows Program is a comprehensive program of professional development, mentorship and on-the-job training that develops the skills participants need to advance in a Commercial Credit career.</p> <p>It also prepares participants for successful leadership opportunities within a growing organization that also has a strong emphasis on culture.</p> <p>The Fellows role is a full-time, non-exempt position.</p>
<p>Who can apply for the program?</p>	<p>Internal or External candidates are invited to apply.</p> <p>Bachelor’s or Master’s Degree required, with a minimum 3.0+ GPA preferred (or equivalent professional experience) in any of the following fields: Business, Finance, Accounting, Economics, or Leadership; with successful completion of Micro and Macroeconomics coursework in the aforementioned degrees.</p>
<p>What is the timing for the program?</p>	<p>Further details for 2024 applications will be provided once available. This program incorporates local market training as well as monthly travel to the bank’s headquarters located in Greenville, SC for the course of the program.</p> <p>Following completion of the program, fellows will transition to a Portfolio Specialist I role in a local market.</p> <p>Commitment to the program is expected for a 24-month term after training.</p>
<p>What does a Portfolio Specialist do?</p>	<p>Portfolio specialists focus on analyzing and underwriting business loans, managing portfolios of loans and assisting in revenue-maximizing initiatives.</p>
<p>What does a commercial credit fellow career pathway look like?</p>	<p>After the 24-month term is complete, Fellows are eligible to apply internally for a role outside of the Portfolio Specialist I or II functions.</p>
<p>What are some of the benefits of participating in this program?</p>	<p>By joining the Commercial Credit Fellows Program, you will expand your critical thinking skills, establish connections, and sharpen your overall professional edge through five key focus areas:</p>

Professional Development: Commercial Credit fellows will receive formal learning and development opportunities designed to empower and encourage learning, critical thinking, and career growth.

On-the-job-Training: Participants will work alongside United's leaders and experience real-life business challenges and see firsthand how our culture of service is delivered to customers every day.

Community Involvement: Fellows will be actively involved in helping create connections and making a difference in the communities we serve, a fundamental aspect of who we are.

Mentorship: Fellows will enjoy constructive mentorship in a feedback-rich environment that will sharpen their professional edge, grow skills, gain new perspectives, and advance their careers.

Leadership: The program is designed specifically to provide growing opportunities that will develop participants' leadership ability.
